The acquisition of the Anathalaya building was ordered on 4.8.14 and the object of the acquisition was entered in the declaration & statement as 'Constructing a hostel for the Maharani's College'. It now appears that the building is not required for this purpose and that 'The building and the site may be added on to the Seshadri House after making necessary improvements" Para 23 Supra. The acquisition of the building not being absolutely necessary ~~involves cost in unnecessary~~ entails avoidable Expense.

The present building and site are together valued at about Rs 6000 ~~for~~ by the Land Acquisition Officer and the area of the site is 1071 Square yards. In G.O. 9597-600 Rev 35-14-6 dated 29.8.15 it is specifically stated that 'a plot of land measuring

8394 Sq yards would be given to the Anathalaya in Exchange for the existing building which is ordered to be acquired. Apparently the Value of this large area was taken as the equivalent of the existing building and it is not clear why in addition to this Extensive Site, a Sum of Rs 6000 Should be given to the Anathalaya. Further even if it is Considered that the Value of the building Should be paid, the amount payable cannot be Rs 6000 as this amount includes the Value of the present Site which Should be deducted.

It is for consideration if under these circumstances the Sum of Rs 6000 may be provided for this purpose out of 'lapses & surrenders'

Sir,

your letter no 1245 dated 11th/12th of June 1915 addressed to the Secy of the Anathalaya, Mysore, is sent to me and I have been requested by the Secretary of the Anathalaya to communicate to you the views of the Committee as their representative

20/6/15

I beg you will kindly convey to the Government the thanks of the Committee for according sanction to the grant of the plot of land measuring 8394 Sq yards lying to the east of Subrayanakere. The wording of the Govt order is not, I think, what it has been intended to be by the Government. The Trust

T.L

Board and the Municipality had given the Anathalaya free of Rent a Site in the Chamaraj Road. A request was made that instead of that site the present site should kindly be given as the Alaya was a growing institution and required more spacious grounds. The Committee is indebted to you for submitting the Committee's prayer with your recommendation and the Committee is highly indebted to the Government for according sanction to the recommendation. I beg you will kindly make it clear that the site in question is in exchange for the site already granted to the Alaya and that the Government be pleased to acquire the present Alaya building to enable the Committee to raise a new building on the site granted. With the help of the liberal Compensation that the Government may be pleased

to grant for the existing building.

I further beg that you will kindly recommend to the Government that the Alaya may be in the present building till the new building is Completed and made fit for occupation. In compliance with your D.O. letter No. 3762/Ml.44-15-dated 22nd November 1915, I submit herewith a copy of the award in connection with the acquisition of the present Anathalaya Premises.

Award under Section 11 of the Land Acquisition Regulation VII of 1894.

-:-:-:-:-:-:-:-

Authority -- Declaration by Government under section 6 of the Land Acquisition Regulation in their Notification No.1422 Edn.9-13-59, dated 4th August 1914 published in page 737 of Part I of the Mysore Gazette dated 6th August 1914.

1. The Ananthlaya premises referred to in the above notification is bounded on the north by the continuation of the Krishna-Vilas Agrahar Road, on the south and west by the compound of the late Sir K. Seshadri Iyer's bungalow and on the east by the Narayana Sastry Road. The exact extent of land and comprised in this property is given in the schedule attached to this award. It comprises 13 ankanams of packa terraced building, 12 ankanams of Mangalore tiled building and open yard in the middle. In this open yard there is a small Siva Temple with an ornamental Masonry Gopuram, a Brindawan with an idol of Ganapathy; a well, a water supply pipe with tap, 3 cocoanut trees, all yielding, and some other plants. There is also an ornamental masonry Basava over the Northern entrance to the Building. The building at present is being used as a Boarding Home for the Orphan Hindu Boys, chiefly Brahmins.

2. Regarding the valuation of the property, the authorities of the Institution have rendered some assistance in arriving at its market value.

3. Notice No.130, dated 5-10-1914 issued under Section 9 of the Land Acquisition Regulation was served on Mr. H. Krishna Rao, the Secretary of the Ananthalaya Managing Committee on 6-10-1914.

In response to this notice Mr. M. Venkatakrishnaiah, one of the members of the said Committee, filed a written statement on 12-11-1914 on behalf of the Committee to the effect that he was authorised by it to correspond with the President, City Municipal Council, Mysore, in the matter of the acquisition of the Anaythalaya Premises. On behalf of the Committee Mr. Venkatakrishnaiah represents that the plot of ground bounded on the North by Krishna Vilas Agrahar Road, South by Sir P.N. Krishna Murthy's Bungalow, East by D. Subbiah's Road and on the West by the Viceroy Road may be given over free for the construction of a new Anaythalaya Building, and that adequate compensation may be granted for the existing building. It has to be remarked in this connection that the granting of the land free of cost for the construction of a new Anaythalaya building is not a matter falling within the scope of proceedings connected with the acquisition of the present Anaythlaya premises under the provisions of the Land Acquisition Regulation.

Mr. H. Krishna Rao, the Secretary of the Committee in his Communication Registered No.1640, dated 25th February 1916 to the Address of the Chairman, City Improvement Trust Board, Mysore, demanded a compensation of Rs.8298/-, and desired that the materials of the building may be sold to the authorities of the Institution at 10% of the compensation amount. He sent in an estimate also showing how he arrived at the above figure. Again on 15th March 1916 he filed a copy of the Resolution passed by the members of the Committee at their meeting of 12th March 1916 to the effect that they are prepared to accept a compensation of Rs.6,000/- for the Ananthalaya Premises.

4. The Institution owned a group of small tiled houses to the North of the existing building, and behind the Dewans Agrahar. These houses were acquired by the City Improvement Trust Board in the year 1908. The rates per Square yard of land paid was 0-8-0. The plot of ground in the neighbourhood recently acquired from Mr. K. Dorasawmy Iyer was valued at Rs. 0-13-5 per Square. Yd. The building under acquisition being situated in a prominent square i.e., at the junction of the two important roads, the Narayana Sastry Road and the Krishna Vilas Agrahar Road, the rate of Rs.1-4-0 per square yard for the land on which it stands seems to be fair and the value of the structure estimated at the ordinary rates comes to Rs. 3878-4-0. For the above reasons I would fix the market value of the property at Rs.5,217/- with 15% on the above value for the compulsory nature of the acquisition. I award a sum of Rs.6,000/- (Rupees Six Thousand only) as compensation for both the land and building notified.

5. The only document relating to the property filed by the authorities of the Institution is a copy of the Registered Trust deed dated 12th June 1896 executed by Viswasvananda Saraswathi alias Visweswarananda Saraswathi. The property is known to have originally belonged to one Nanjunda Swami alias Niranjana swami after whom the Institution goes by the name of Nanjunda Anaythalaya ~~imaginated~~ inaugurated for the benefit of the Hindu Orphans under the management of a Committee formed for the purpose. At a meeting of the members of the Committee held on 24th May 1896 the building under acquisition together with the group of tiled houses to its North, referred to in para 4 supra, were made over by Viswesananda Saraswathi alias Visweswarananda Saraswathi, who was in possession of the same by virtue of a will dated 23rd October 1891 executed in his favor, to the management of the

the said Committee absolutely in the name of God for the benefit of the Orphans of the Chaturvarna, as a perpetual Dharma to be carried down to posterity.

6. The donor was for some time the President of the Committee and Trustee of the Anaythalaya and guardian of the Orphans of the Institution. The amount of compensation awarded will have therefore to go to the benefit of the Institution and not to any individual. Though Messrs. M. Venkatakrishnaiah and H. Krishna Rao have carried on the correspondence on behalf of the Committee in respect of the acquisition of the property in question, a separate authority from the Managing Committee for the specific purpose of receiving the amount of the compensation awarded on its behalf is necessary. The award may be communicated through its Secretary. The Committee will be required to execute the necessary Mutchilika in respect of the application of the awarded amount solely for the bonafide use of the Institution.

18-4-1916. Sd. T. Lukshmana Rao.
